Dear Parents and Carers,

We are delighted to share that our school is working towards achieving the Leading Parent Partnership Award (LPPA), a nationally recognised award that celebrates and strengthens the partnership between schools and families.

At The Brookfield School, we recognise that parents and carers play a vital role in supporting children's learning and wellbeing. Research consistently shows that when schools and families work together, children are more likely to achieve their full potential, demonstrate positive behaviour, attend school regularly, and make strong academic progress.

The LPPA provides a framework that helps schools evaluate and develop effective ways of working with parents and carers. As part of this process, we will be reviewing our current practices, celebrating what we do well, and identifying opportunities to further strengthen communication, engagement, and collaboration between home and school.

Throughout the award journey, we will be seeking feedback from parents and carers. During the last few weeks of the summer term, you will have the opportunity to share your views via an online survey. Your opinions, experiences, and suggestions will be invaluable in helping us ensure that our school continues to meet the needs of our families and community.

We look forward to working closely with you throughout this exciting process. Together, we can continue to provide the very best educational experience for all our children.

Thank you for your ongoing support and partnership.

Yours sincerely,

Miss Haile (Deputy Headteacher) and Mrs Read (Family Support Worker)
